### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Claims 1-23 are allowed, as the prior art of record does not teach or suggest a method for correcting MRI measurement data, including the steps of determining for each set of the plurality of sets of the MRI measurement data a location within, and generating at least a k-space matrix based on the plurality of sets of the MRI measurement data allocated thereto, in combination with the remaining limitations of the claims.

Claims 24-31 are allowed, as the prior art of record does not teach or suggest a method for motion correcting MRI measurement data, including steps of determining for each selected set of the plurality of sets of the MRI measurement data a location within a k-space matrix corresponding to a row of the k-space matrix allocated thereto, and generating a k-space matrix based on the allocated sets, in combination with the remaining limitations of the claims.

Claims 33-41 are allowed, as the prior art of record does not teach or suggest a

A system for motion correcting MRI measurement data comprising a storage medium having stored therein executable commands for execution on a processor, the processor when executing the commands, including the steps of determining for each set of the plurality of sets of the MRI measurement data a location within the k-space matrix allocated thereto; and generating at least a k-space matrix based on the sets of the plurality of sets of the MRI measurement data allocated thereto, in combination with the remaining limitations of the claims.
